HAPPY BIRTHDAY HUEY P. NEWTON

MINSTER OF DEFENSE
OF
THE BLACK PANTHER PARTY
AND
SUPREME SERVANT
OF
THE PEOPLE

BORN
FEBRUARY 17, 1942

PIGS THREATEN WELL-BEING OF THE SUPREME SERVANT OF THE PEOPLE

From the time that Huey P. Newton and Bobby Seale first stepped onto the streets of Oakland, California in 1966, armed against the oppressors of the People, the Black Panther Party has suffered such a variety of attacks, that it would require a future historian to give a complete account. Not only has our Party been said to be both racist and integrationist at the same time, or communist and reformist, hoodlums or gun-toters, etc.; but, we have suffered innumerable attacks against our very lives by every enforcement agency of the Empire's regime and its hired and authorized agents.

But it has been and is our prime task to serve and meet what we believe to be the true interests of all the people. And we have studied, theoretically and practically, the best means to attain this goal. And we have tried to expose, theoretically and practically, to all the people what we have learned. And we have suffered these attacks because we have put forward every energy we have to serve the true interests of the People. As our Minister of Information has stated it, "The level of repression is equal to the level of resistance".

And this is why the Black Panther Party is called and is the Vanguard of Revolution in the Empire of the United States. And the masses of people have stated this - here in the Empire and in other communities of the world, in Vietnam, in China, in Korea, in South America, in Africa. But those who know best the threat the Black Panther Party presents to the continued existence of the American Empire and its various political regimes - Nixon's at present - those who know best that the Black Panther Party is "the greatest threat to the internal security of the U.S." (J. Edgar Hoover) and, is, therefore, in the vanguard of the People's Revolution in America are those of the Empire's ruling circle itself.

And it was the leader of our Party, Huey P. Newton, who, taking the lessons that Malcolm had so eloquently

stated, tired and angry as every black and oppressed person is, who by himself, at that time, challenged the very foundations of this decadent, vicious and rotten society. Arming himself against dogs to whom killing, raping, robbery and all kinds of treacherous deeds had become more than familiar acts, but which deeds became the American Institution over the centuries, Huey P. Newton set forward the supreme example of his very life to bring this message to as many people as possible. It was this supreme example and offer of his life to expose the truth for even a moment that has brought the many hundreds of thousands of people around the world to respect and support the organization he founded. And the hatred the world's pigs feel for the Party is pinpointed at our founder.

This is all to say that the Black Panther Party has learned through world history and our own history that those who wish to destroy our Party and its leadership will steal any moment to do that. And we have seen that they concentrate their efforts on the buildings where we sleep. Fred Hampton and Mark Clark were murdered in their homes, asleep in their beds. Raids, such as the December 8th, 1969 raid in Los Angeles, are directed at our homes and places where we sleep. And recently, on February 9th, the home of our Chief of Staff, David Hilliard, was viciously vandalized while he was away on the East Coast.

We are not so naive as to believe that we will not receive attacks in the future that will be even more calculated and vicious. For we certainly have no intention of doing anything but intensifying our programs to destroy completely those who have oppressed in one form or another practically all the world's peoples and communities for so long. We intend to deliver the death blow to the American Empire. No matter how many of our own lives are ripped away in the effort, no matter how many homes and offices they destroy, we shall continue, as we have in the past in the face of all odds. But we shall not allow history to again prove that man kills the best in himself.

We will not allow the Minister of Defense of the Black Panther Party and Supreme Servant of the People, Huey P. Newton, who initiated this bold step to change the tide of History, to be exposed to their waiting guns and scopes. So that by the time he was returned to the People, having spent nearly three years in their maximum security dungeons, our Party had grown, mostly through bitter examples. And when he returned, our concern for his life (even remembering the example of Brother Malcolm the bombing of his home, his assassination) extended particularly to where he could live relatively securely. And the place the Black Panther Party obtained for our Minister of Defense and Supreme Servant has now been exposed by the malicious pig news media in collusion with the office of J. Edgar Hoover. His home address was put on the front page of every major newspaper in the country, for the purpose of allowing every fool, bountyhunter and pig in the world to know where he sleeps. For the official pigs were having difficulty doing their usual work, as the apartment building in which he was housed contained their class brothers. And an attack upon him would have required an attack upon them. So they cunningly exposed this information, under the guise of describing his lifestyle as being equal to that of his oppressors. They emphasized the fact that the apartment rent is \$650, per month to hopefully divert the People's attention and hopefully turn their support away from the Party, while exposing his home address.

But, "For the salvation, liberation and freedom of our People, we will not hesitate to either kill or die." And to preserve for even a moment the life of the kind of genius which has guided our Party through these past years, we certainly will not hesitate to provide whatever is necessary.

 Let Us Hold High The Banner of Revolutionary Intercommunalism and The Invincible Thoughts of Huey P. Newton, Minister of Defense of the Black Panther Party and Supreme Servant of the People.

PIGS ATTACK ASIAN COMMUNITY CENTER IN SAN FRANCISCO, CA.

Press Release
February 8, 1971

Leways office

Roof of Leways

Last night, at 9:23 pm, five uniformed pigs, armed with shotguns, smashed in the front window and battered in the door at 842 Kearney Street. They forced their way into the storefront without warrants for the fourth time in two weeks. Inside the storefront, they proceeded to terrorize the people, who were peacefully going about their normal business, by drawing their service revolvers. One person, a young staff worker from Asian Legal Services, was arrested for no apparent reason. These same pigs, armed with shotguns, also invaded the Asian Community Center without warrants and harassed a group of young Asian women who were having a meeting at the time.

At 2:00 am, Saturday morning, 30 pigs ran wild throughout Chinatown. They forced their way into Leways, the Washington Street Smokeshop and several gambling houses. The pigs were not carrying warrants. They forced people up against walls, searched people and checked ID's. They did this on the flimsy excuse of searching for firecrackers.

At Leways, a non-profit youth organization, the pigs ripped posters off of the walls, destroyed the music room, photography laboratory and library. In their frenzied rage, the pigs even smashed a pingpong table to bits and overturned a garbage can, scattering garbage all over the place. The pigs also wrecked Leways' plumbing and electrical wiring.

Asian Legal Service and the Chinatown-Manilatown Draft Information Center, which share the storefront with Leways at 842 Kearney St., were also invaded Saturday morning by the gestapo police. The pigs ripped out their phones and ransacked their confidential files in a vain attempt to stop these organizations from continuing to serve the needs of the people.

This systematic, brutal and illegal pig terror campaign against the Chinese community was unleashed two weeks ago with the full co-operation of the Chinese Six Companies. During this period, Michael's Billiards, the Asian Community Center, the Washington St. Center were invaded il-

Leways work area

legally by the gestapo goons of the San Francisco Police Central Station. Many Chinese youths have also been harassed while peacefully driving their legally owned cars or walking down the street. This campaign of terror is aimed at destroying all opposition to the decades old oppressive rule of the Chinese Six Companies. This terror campaign is specifically aimed at organized youth who will no longer tolerate this nor the inhumanity and racism of America.

The people of Chinatown realize that the invasion of our community

is no different than the illegal invasion of Laos by the US imperialists, the raids against the offices of the Black Panther Party and the harassment of Chicano and Native American communities. If the pigs continue to brutalize and harass the Chinese community, they will surely face the wrath of the people.

HOLIDAY INN STEALS INTO SAN FRANCISCO'S CHINATOWN

SAN FRANCISCO (LNE)—When the city government of San Francisco allowed Justice Enterprises Inc. to build a 27-floor skyscraper on government land in the heart of Chinatown, the people who lived in the area were told that it was going to be a "Chinese Trade and Cultural Center." Now that the building is finished, they realize that it is really a Holiday Inn—twenty-six floors of it, with only one floor designed for a "Chinese Center."

San Francisco Chinatown is the second most densely populated area in the country (Manhattan is the first.) About 50,000 people live within a 17-block area. While the average density of the rest of San Francisco is 32.5 persons per acre, in Chinatown, 230.7 persons share an acre.

Immigrants from Hong Kong

arrive in San Francisco at the rate of 5,000 per year. Most of them settle in Chinatown. Decent housing is a vital need for the Chinese community. The average family in Chinatown has four children; 41% of the families have a combined income of only \$4,000 a year. People in Chinatown usually pay 30% - 50% of their income for rent.

Not only is housing expensive, it is dangerous and unhealthy. Half the dwellings are single-rooms in living hotels. Large families often are forced to rent several rooms in these hotels. 75% of these rooming houses have no heat. The rooms are very small—in many cases under the minimum size required by housing codes. Often there is only one bath for as many as 30 rooms.

And now the San Francisco financial district is invading

Residents of S.F. Chinatown protest against Holiday Inn

Chinatown. The Bank of America and Trans-America now occupy large tracts of real estate. The 572-room Holiday Inn Hotel is only one more step in a major redevelopment plan San Fran-

cisco city-fathers are pursuing, which would turn Chinatown into a cultural-financial center to attract tourists, and big business.

The "Chinese Trade and Cultural Center", now the Holiday Inn,

was built after the city had promised to build low-cost public housing for the people of Chinatown on the first available city-owned land. The land on which the expensive tourist hotel now stands was once the Hall of Justice.

Pressured by organizations in Chinatown, the Holiday Inn promised to hire Chinese people to fill 80% of its work force. The 80% just took care of the number of maids, waiters and other servants the hotel needed. But now the people of Chinatown have lost even this humiliating gain. Due to the recession and "miscalculation" by the hotel management, 50% of the employees have been laid off. The Chinese workers were the first to be fired.

Frank L. "Bozo" Rizzo

Up from the sewers of Philly has arisen a candidate for Mayor. The poor and oppressed masses of this city know him well, having suffered and died for years under his blood-stained, iron-clad rule; but, for those of you who do not live in this city, let us give you some facts about the fascist who has chosen to run for mayor of Philadelphia, Pennsylvania.

Frank Lazzaro Rizzo also known as "Bozo" (Ruey P. Newton so appropriately named him), was the Commissioner of the Philadelphia Pig Department. Under his reign as Police Commissioner and before he reached that rank in the Philadelphia Pig Dept., countless murders and brutalities were committed against the oppressed community. He not only ruled the Pig Department, but also the whole city through his faithful lackey, Mayor James Tate.

On Tuesday, February 2nd, Rizzo resigned from his post as Commissioner in order to run for Mayor. His stated reason for running for that office is "I'm the best man for the job" and "no one could handle it better than me". In a way, that's true, for he is the best fascist available for the job of running a "Nazi" police-state, having schooled himself well in the ways of Hitler. The true reason that he wants to run for the title of Mayor is because in that position he could exclusively and completely control the functioning of the city of Philadelphia, not for the benefit of the People, but for the benefit of the right wing reactionary forces of fascism and racism.

Though his official candidacy for mayor wasn't announced until February 2nd, the campaign to have him installed in that position has been going on for years. In a manner that would make any Mafia Chief blush, he has skillfully controlled and managed the news media in this city, which, in turn, has created a Daniel Boone type legend about him. According to the print and electronic media here, he is a good fighting for the forces of "good". Instead of the blood-thirsty, power-hungry fiend that the people know him as. A year ago this month, he even tried to appoint ex-policemen to high positions in this city to make it more convenient for him when he's elected mayor. (Fortunately, the masses prevented this.) Because of his literal control of the news media and the court system,

no pig has ever met total justice for a crime against the people. By his skillful maneuvering and mafioso pressure tactics on judges, murders committed by his pigs are always termed "justifiable homicide".

Rizzo's dogs beating brother

Now that this filth has officially announced his candidacy for mayor, we feel it is necessary to remind the People of a few of his deeds. "I AM A MAN OF ACTION" he has claimed. Following is some of that "ACTION":

8/28/64 Highway Patrol Pigs manhandled a brother and sister who were arguing, sparking a large scale rebellion in N. Phila. in which many brothers and sisters were brutalized by pigs under Rizzo's personal command. (He was Deputy Commissioner at the time)

6/22/65 Pigs, under Rizzo's command as Dep. Commissioner, engaged in large-scale strike breaking tactics during truck drivers strike.

7/12/65 Rizzo personally took part, along with other pigs, in brutalizing demonstrators at the State Building who were protesting Girard College's racist admission policy.

3/30/67 Rizzo took part in arresting city workers demonstrating at Municipal Services Bldg. 11/17/67 Rizzo, by now Commissioner, unleashed his pigs upon hundreds of Black students demonstrating peacefully at the Board of Education, severely brutalizing and arresting many. His command was, "Get their black asses."

8/69 15 yr. old epileptic Joseph Brooks was murdered by Pig Bliswanger.

9/23/69 Raid on Phila. Branch

of the Black Panther Party. Several Party members arrested and office equipment stolen and destroyed.

10/31/69 Bernard Sisco, blind, beaten by Pigs D'Amico and DeFazio and arrested on phoney rape charge. Later committed suicide because of this physical and mental torture.

12/1/69 Gerald G. Goode beaten by Pigs D'Amico and DeFazio. 12/7/69 Clarence Anthony beaten by Pigs D'Amico and DeFazio. Arrested on phoney rape charge and found dead hanging in his cell. 12/69 Herbert Brown beaten by Pigs D'Amico and DeFazio.

1/70 Three members of the Phila. branch, Black Panther Party, arrested on phoney stolen car charges and narcotics charges. One was brutally beaten.

2/1/70 17 yr. old Harold Brown murdered by Pigs Evans, Lyons, Milby and Rash. Pigs involved said he lunged at them with a knife, which witnesses to the murder didn't see. After shooting

tic, beaten and murdered by pigs in his own home. His wife was brutalized in the same fascist attack.

3/23/70 Six yr. old Phillip Green run over and critically injured by a high-speed pig car which wasn't using a siren driven by pig #3580.

3/27/70 Fourteen yr. old John Hargrove grabbed by "Granny Squad" pig (pig dressed as an old lady), handcuffed by 2 plainclothes pigs, beaten, then severely bitten by K-9 dog unleashed on him by pigs. Arrested on phoney "suspicion of pickpocketing charge."

4/5/70 Roger Lee Darrett murdered by nigger pig Robinson.

4/21/70 Pigs Anderson and Funnell brutalized William and Howard Cole and James Raleigh for no reason and arrested them on phoney charges. Also hit their sister Hattie Cole, when she protested this pig action.

6/7/70 Pigs brutalized and arrested 16 yr. old Samuel Lane who was cleaning a rifle on the back steps of his house. Pigs returned to his home without a warrant kicked down the door and tore up the house searching for more weapons.

6/24/70 Pigs harassed Arthur Davis as he entered his home with his wife and son. They broke down his door only to be met with a hail of hot lead which held off pigs for three hours. For exercising his right to self-defense Brother Davis was held for \$50,000 ransom.

7/4/70 Pigs brutalized brothers at Holmeburg Prison who were demonstrating in a revolutionary manner against racism and the foul conditions there.

8/11/70 Pigs invaded the home of Jean Thomas without search warrants, searched the house, beat and arrested her children on phoney charges while she wasn't home.

8/20/70 Pigs busted Black Panther community worker, selling papers, for no reason as part of their intensified campaign of harassment to stop the

sion. 9/1/70 Paul Frankenhauser, murdered by Pig Edward Bastian in what the pigs claimed to be a shootout after chasing him and his brother to a factory. Community residents and a Catholic priest watched the pigs shoot 6 times into Frankenhauser's face after he had already been gunned down. Rizzo was in personal command at the scene of this murder.

9/4/70 Robert Clark, 15, murdered by Pig Ismael Plaza who claimed that he lunged at him with a knife which witnesses didn't see. The fact that he was shot in the back further disproves Pig Plaza's lie.

9/9/70 Erwin Bundy, murdered by pigs McDonough and Celluci. Was shot in the back of the neck as he ran in the opposite direction from the pigs, though no warning shot was fired. Another pig (unknown) choked him as he lay dying and pig Lt. Fencil claimed to the angry people at the scene that it was done in self-defense.

9/13/70 Pigs brutalized Jim Palmer, for no reason, arrested him on phoney charges and stole \$60 and a watch from him.

9/20/70 Pigs forced their way into the home of Oliver and Linda Locke and brutalized Linda by throwing her down the stairs and beating her in the stomach (she was 5 months pregnant at the time). Twenty pigs beat Oliver with clubs and arrested both of them on phoney charges. Lawsuit filed in court against Rizzo. 9/23/70 Pigs beat Harold Jamison in a courtroom when the flash on his camera went off accidentally while unloading it. Was charged with assault on a pig and held on \$500 ransom.

9/23/70 Pig beat Eloise Williams, kicked all her teeth out of her mouth and fractured her skull. Though she hadn't done anything, she was charged with assault and battery on a police officer, resisting arrest and disorderly conduct.

9/25/70 Pigs ran wild in the

August, 1970 Pig Raid on Philadelphia Office

didn't want to work for a pig, caused Hafferty to resign.

2/70 James Allen Parker murdered by pigs.

2/11/70 Pigs beat Black Panther Party member Sandra Dickerson on bus and arrested her on phoney charges.

2/20/70 Rizzo was present when his pigs brutalized mother country radicals demonstrating against the Chicago Conspiracy "trial".

3/1/70 James Hamilton, epilep-

Revolutionary People's Constitutional Convention Plenary Session.

8/31/70 Pigs raided 3 offices of the Philadelphia branch, Black Panther Party; stripped Party members naked in the street. Fourteen were arrested on \$100,000 ransom each. All furniture, office equipment, money, clothing, etc. were stolen. Plumbing and electrical fixtures were destroyed. This was a blatant attempt to stop the Plenary Ses-

community, stomping Mark Soto into unconsciousness, brutalizing a pregnant sister and cracking countless skulls.

10/12/70 Dwight Byrd, murdered in cold blood by pigs John Byrne and James Winchester.

10/15/70 Pigs brutalized and arrested Mary Prince and her children when unjustly evicting them from their home.

SAWED-OFF SHOTGUNS THE MYTH AND THE REALITY

A pig department
sawed-off commercially
manufactured

A peoples single-shot sawed
off shotgun in the
open position

A lot of confusion and misinformation has been spread about sawed-off shotguns. One thing that needs to be understood is that the pigs consider any shotgun that has had the barrel length altered, a "Sawed-Off" and therefore illegal weapon. If a 36-inch goose gun is cut down to 35-inches and the alteration is not registered with the Federal Pigs and approved by them, then the Shotgun can be considered "Sawed-Off" and illegal.*

As for the technical aspects of a sawed-off shotgun, it should be kept in mind that the shorter the barrel length is, the shorter the effective range and the less accuracy and power. Knowing these facts, it becomes obvious that one of the main reasons for sawing off shotgun barrels and/or stocks is to facilitate easy concealment and help to maintain the element of surprise that

is needed in some of the many activities in which people use shotguns.

A Sawed-Off shotgun with a 12-inch or 8-inch barrel may be very effective against a bank teller who's only three feet away on the other side of a counter or a bank guard who has it pressed to the back of his head, but it's too short to shoot accurately across a four or six lane street at a pig who's shooting .357

Magnums, 30-60 Rifles, 20-inch 12 Gauge Shotguns, or .45-cal. Sub-Machine Guns at you. In a situation like that it would be too small to shoot accurately and too big to throw easily. You would do better with a Rifle for long range and rocks for medium range.

Extremely short barreled (less than 12-6 inch) shotguns are good for combat in phone booths, closets, small rooms, and confined spaces, in addition

they are easy to conceal but they will not give you very much accuracy or killing power, at anything other than close range.

Any member of a self defense group that takes a saw and turns a good shotgun into a near harmless, limited use, piece of junk should be disciplined severely and barred from ever watching T.V. again.

Any individual or group of individuals with some serious thoughts about self-defense should keep it in mind that a good sub-machine gun has all the qualities of being concealable, a rapid rate of fire, light weight, maneuverable, and in the hands of trained personnel, Sub-Machine guns have plenty of killing power at close and medium range.

*Must also be registered with local pigs.

BRAD GREENE - WILLIAM REDWINE POLITICAL PRISONERS

William Redwine had been incarcerated by U.S. fascists since June 19, 1970. On February 3, he was sentenced to 25 - 30 years for the death of racist Chicago, Illinois gestapo, Kenneth Kaner. Kaner was justifiably offed on June 19, while sitting in his pigmobile allegedly writing out a missing persons report.

This trial is another slap in the face to the Black community. The pigs have had no evidence as to who ended the life of murderous pig Kaner. But the chance to imprison four Black brothers was sweet revenge for these foul enforcers of U.S. fascism.

The decadent Chicago pig department successfully beat another brother, Bruce Sharp, into confessing to this pig death and then sentenced him to 25-100 years imprisonment. A third brother, Dwight Cavin, has yet to be tried in this mockery of justice. Brad Greene has already been pointed out as guilty along with Redwine. Fascist pig Judge Garrippo is trying to decide how long to isolate the life of Bradley Greene from the people. Brad, 23, a dedicated member of the Black Panther Party has been incarcerated in Cook County jail for over 7 months. He is known as a servant of the people, and has in the past been a victim of a gestapo type raid performed by Mayor Daley's pigs. (In August of 1969, the Chicago pigs staged a raid on the Black Panther office located at 2350 W. Madison

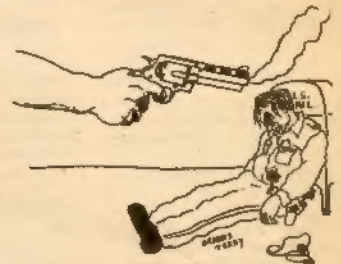

In which Brad and other Panther members were arrested.)

We can clearly see that pig Judge Garrippo doesn't want Brad on the streets to continue his worthy deeds of helping Black people to survive.

The Black Panther Party is calling on all people to take immediate action against the foul pigs of Chicago, New Haven, Oakland, New York and all the oppressed communities across the Babylonian Empire, demanding the immediate release of Brad Greene, William Redwine, and the other brothers involved in that case.; Bobby Seale, Ericka Huggins, and Russell Magee. All political prisoners must be set free.

ALL POWER TO THE PEOPLE!

PIGS EXECUTED IN DALLAS, TEXAS

An entire family was "taken into custody", dozens of people including women and children were kidnapped off the streets and from their homes, interrogated for hours and put in line-ups, as the fascist gestapo of Dallas unleashed a wave of terror in search of the executioners of three Dallas Deputy Sheriff pigs. This house-to-house search is being carried out under the pretext that the community had knowledge of the planned execution.

On Monday, February 15th, Deputy pigs Samuel Garcia Infante, A.J. Robertson, and Wendell Dover invaded a home in the community of West Dallas, allegedly in search of stolen property. Deputy pigs A.D. McCurley and William Reese followed them with search warrants. As they entered the home, they found the three other pigs tied up in chairs with guns being held to their heads.

All five of the enemy forces were then taken to the Trinity River bottom. A revolutionary execution was carried out with swiftness and efficiency, leaving three pigs dead and another wounded. Reese, whose binding had come loose, survived the execution by backing up over the bank that sloped some 20 feet to the edge of the river. He later reported to his superiors the cries (sniveling) of his fellow gestapo as they begged for their lives.

The entire community may have known that the enemy forces were tied up in the house. But the people's endorsement of this act of revolutionary violence cannot be disputed.

THE WHEELS OF INJUSTICE CONTINUE TO RAILROAD G.I.'S INTO STOCKADES

Camp Pendleton, Oceanside, Calif.
February 6, 1971

The wheels of injustice grind constantly at military bases as GIs are processed daily into stockades to serve out sentences they don't deserve. Camp Pendleton, a Marine Corps base in California is no exception.

We know about the following three prisoners because we got to know them in the course of our political work in Oceanside. We could write 50 stories similar to these about other guys at the Pendleton brig.

Private David Osborne (Ozzie), a 20 year old white marine, is still being held prisoner by the Marine Corps. Busted while trying to return from a 10 month vacation in Canada, Ozzie is now facing a three year prison term and a dishonorable discharge.

In most cases, a 10 month absence would result in simple separation from the Corp with an undesirable discharge. Ozzie, however, had the audacity to use his mind, despite the old adage that "the Marine Corps doesn't pay you to think".

Not only does the Marine Corps not pay you to think, but people who display this quality are dealt with harshly. The only reason for the extreme harshness of the charges being brought against Ozzie is that he is politically

active. Because Ozzie doesn't agree with the Marine Corps and openly says so, he is being sent up the river.

Lance Corporal William Chatman is a Black marine now facing charges of unauthorized absence. He went AWOL with only two weeks left in the Corps. Unauthorized absences are grounds for court martial with a maximum penalty of six months hard labor in the brig, six months at 2/3 pay, and a bad conduct discharge.

Chatman is the former chairman of MDM (Movement for a Democratic Military) at Camp Pendleton. Being Black and political in the Marine Corps is always grounds for the maximum sentence.

Why did Chatman go AWOL with just two weeks left in the service? His wife was nine months pregnant at the time and lived in a house that was falling apart. While home on leave Chatman fixed up his house and made it comfortable for the new baby. He also got involved in cooling down the bloods on the street who were enraged over the death of a brother and helped them get organized. Chatman then felt committed to stay longer and help work out the problems in the community. Inevitably he was picked up and

returned to Camp Pendleton to face a court martial.

Billy Hendrix is a 24 year old Black marine who was once a corporal in Uncle Sam's corps. He saw combat action in Vietnam for 13 months back in 1965. He holds 7 ribbons, including a good conduct ribbon and two medals. Billy re-enlisted to go to electronics school, but after he signed the papers they told him he wasn't smart enough and were going to send him back to Nam (Viet Nam).

One night his girlfriend tried to commit suicide. To save her life he took her to the closest hospital—on base. He signed her in as his wife, so the Corps busted him for fraud. The Marines take care of their own. As a result of a general court martial and a "good" military lawyer, he got a good deal—one year in the brig and a bust to private E-1.

Now he's up for another court martial on two counts of unauthorized absence and an alleged escape from the mess hall while he was in confinement.

FRAGGING OFFICERS: G.I.'S FIGHT BACK

"I lock my door when I go out, and I check for booby traps when I come in. I'm leery of getting in dark places. But I have never been a worrier and I don't reckon I'll start now. I'm concerned about it, but I'm not worried."

—Sergeant Gene Tingley
Vietnam (AP)

Sergeant Tingley was lucky; the hard-nosed, hard-headed professional usually got to the orderly room by 6 a.m. in the morning to relieve the night sergeant. That morning he overslept. At 6:03 five pounds of plastic explosives blew the headquarters apart.

"It took me until about noon to figure out they were out to get me," the 37 year old veteran said, "then it was kind of shocking."

Tingley was the target of a "fragging"—a GI term for an attack on another American by a fragmentation grenade or other explosive. As GIs fed up with the war move more and more toward insurrection, fragging officers and lifers has sharply increased in recent months.

Recently one white major was killed and another wounded at Quang Tri with a small caliber weapon after one of the officers yanked the plug out of a Black GI's stereo. The officers entered the Black enlisted men's hut shortly after midnight and ordered the brothers to turn the music down. They complied. Then the officers noticed that two of the soldiers in the hut were not assigned to the unit and ordered them out. They started to argue and the music went up full blast. It was then the plug was yanked from the socket. Sources related:

"So one of the majors was

standing in the doorway and the next thing he knew he was on the ground wounded and there was another flash, and the second major went down."

Three Blacks were held and troops at the Quang Tri headquarters were ordered to turn in all weapons, grenades and ammunition. Life magazine described a similar confrontation between GIs and a NCO (Non-Commissioned Officer) in a late October issue:

"When the company's first sergeant—a 44 year old, 6'2", big-bellied, 257 pound giant with a bikkini girl tattooed over 12 inches of forearm, the draftees instantly read about his 25 years of service in his seamed face. He paused to mop the sweat from his brow with the tattooed girl. I'm out to kill gooks," he said, "that's what I'm paid for." Around the fire base the litter of abandoned ammunition annoyed him. Twice he drew and leveled his pistol to enforce an order. The second time, the young soldier he had been arguing with called his bluff and ran off to get his M 16. The two readied for an incredible high-noon showdown..."

In Scanlan's, Richard Williams, who had served seven years in Vietnam, was quoted: "When I was a guard in the Long Binh stockade there were 23 guys there for killing their CO's (commanding officers) and 17 others were already on trial for killing CO's."

Ever since 23 members of the now famous Bravo company refused to go on patrol in early 1970, there has been a phenomenal escalation of open rebellion among GIs in Vietnam, culminating in many aggressive officers and NCO's being offed by their own men. As wounded Marine Ron

Mounce described the elimination of one gunho sergeant:

"He was a gunnery sergeant, and he had a whole watch that night, and he had a perimeter to watch. He'd just gotten there—a real dog. So there's a bunch of guys just got together and tossed about three grenades in the hole with him."

Another marine:
"We got into this trap by this incredible lieutenant...there were only nine of us left. We got out but he wanted to go back. The corporal just stood in front of him about four feet away and argued that the dude was insane. Then he didn't say another word; he just ripped off his whole clip into him. Nobody said a word. Nobody ever did."

And more:
"I heard that some army people in the South were wearing red scarves when they wanted to be neutral in the war. They said the VC didn't shoot them when they all wore red scarves, just like they didn't shoot at brothers that much. So I got one. We all did...I stopped carrying ammunition after that. Didn't for the last three months in the country."

"I went AWOL for a week and a half, but they found me in the Villa. The third night I was there I heard some noise outside and wanted to investigate, but my woman wouldn't let me—she went outside herself and came back about five minutes later with three dudes. VC. I thought I'd had it. We talked until daylight, drank that good green tea and talked. They were really interested in the demonstrations; they had heard of Berkeley and wanted to know how long it would be until we had a revolution there."

G.I.'S TELL OF GENOCIDE AGAINST THE VIETNAMESE PEOPLE

Detroit — Michael A. Hunter, a Vietnam veteran and winner of a Silver Star, two Bronze Stars, the Air Medal and two Purple Hearts, said today in a press conference at the Detroit Veterans Memorial Hall that, "American Military personnel carved symbols on the chests of the enemy dead and also cut off their heads and impaled them on sticks in the trails." He said that, "The First Air Cavalry also killed villagers, burned their villages and destroyed their livestock."

Hunter, said that he personally witnessed, the use of chemical agents in Vietnam on children. He added that he had witnessed, "the torturing of prisoners and the murder of prisoners by the last Air Cavalry Division."

Hunter said that some of the war crimes committed about which he will be testifying, were committed in the presence of officers.

"The standing orders for our outfit were," he stated, "to take no prisoners" which meant to kill those who attempted to surrender."

Also speaking at the press conference was Michael C. Erard, 29, of Detroit, a former Medic of Special Forces in Vietnam. Erard, winner of two Bronze

stars, stated that "unarmed civilians were killed, shot to death, who were tending garden plots because we were told to keep the North Vietnamese Army from obtaining food." He said that the killings had taken place at the An Hoa Valley at Binh Dinh Province.

Erard, also said that the gardens were poisoned and "during a six week period, ten unarmed civilians were killed while working on the gardens."

Erard, said that he was participating in processing of bodies and had witnessed the mistreatment of civilians. Regarding the Army's well publicized "Chieu Hoi program" which permits the enemy to surrender, he said, "My company never arrested anyone with the safe conduct pass."

He added, "we did find many dead Vietnamese who had Chieu Hoi passes among their belongings."

BLACK AIRMAN HARASSED FOR SUPPORTING THE BLACK PANTHER PARTY

Brothers, Sisters, Comrades In Arms,

Once again, the pigs have stooped to a low level in order to continue in their ways of fascism and exploitation. This letter is being written, not to bring sorrow to any faces of my brothers and sisters, nor to bring about a feeling of sorrow for myself, but merely to bring some facts to the attention of the people. This letter, I hope will serve as a guide to others, to keep all my people from being led astray, as I was. Astray to become a tool in the pigs military service.

Some time ago, I received a notification of reassignment. On the 7th of January, I was scheduled to start paperwork to begin to process off the base (Ellsworth Air Force Base, South Dakota). I was assigned to the 1st Munitions Maintenance Squadron, I worked in a restricted area, and therefore had to pass through a gate patrolled by SP's (Security Police).

I arrived at the gate at 1:00 P.M. on the 7th of January to go to my duty section. I was told by the guard that I could not get into the area. He told me that the unit security officer had called to the gate and had given him specific instructions not to let me into the area. I called several people, including my commanding officer, and I was given a complete run around. Everyone was quite hesitant to say anything, as though I had committed a terrible crime. Finally, I was told to go see an officer by the name of Major Thomas.

I arrived at the major's office at 3:45. I was told that the reason I could not get into my work area, was because I was under some kind of "investigation." —by the OSI (Office of Special Investigation). I had written some letters to relatives, and the OSI had gotten a hold of them. I had written statements on the back of the outer envelope, which the OSI didn't particularly dig. The statements were, "The Day that the pigs attempt to turn on the switch to the electric chair on Chairman Bobby and Sister Ericks, will be the day of mass execution of all pigs." —I have stood by too long while the pigs have brutalized and murdered my people. The blood of the pig must flow in the street". —"Free Bobby", — "Free Ericks", —

"Free Angela", — "Arm yourself or harm yourself." These were all statements that I could relate to, — but the pigs could not do as such.

I was taken out of the Munitions Squadron and put into another squadron, where I could be considered less of a "threat." My copy of the Black Panther arrives every week in the mail, and this was tampered with. The outer envelope was torn open, but no damage was done to the paper itself. My reassignment orders were then cancelled.

I receive constant harassment around the base because I wear buttons proclaiming "FREE BOBBY", "ALL POWER TO THE PEOPLE", etc, and I show my support for the Black Panther Party by passing out literature and posters that I have received from the Black Panther Party. The harassment is constant and strong, but my revolutionary spirit is stronger. I fully realize that I must resist to exist!

In the eyes of the pigs, I had committed a crime: showing concern for my people and the Black Panther Party, and so they reacted in a very pigish manner. By their actions, the pigs have taken another step to prove that THE BLACK MAN HAS NO RIGHTS, THAT THE MILITARY IS BOUND TO RESPECT. To all those who have any thoughts about becoming a tool in the pigs' military, I say back up and regroup!

The pigs, not getting the information out of me that they wanted, have now taken another path, they have begun to question my fellow comrades, in order to get information, concerning my personal life.

I issue the first and only warning to all pigs and their lackeys who insist upon trying to hamper my way of life for their benefit. There are certain people, and conditions which must not be allowed to exist, if I am to attain the highest level of consciousness possible — absolutely necessary in order to go about day to day in a true revolutionary fashion.

ALL POWER TO THE PEOPLE!

Revolutionarily Yours,
Dennis Green

BLACK SOLDIERS AS REVOLUTIONARIES TO OVERTHROW THE RULING CLASS!

LETTER FROM PARISH PRISON, NEW ORLEANS

My name is Alfred McCoy. I have been incarcerated in New Orleans Parish Prison for four and one half months, I was ripped off the streets by the fascist gestapo pigs of the N.O. Pig Department on a charge of aggravated battery on two low lived enemies of the people, Israel Fields and Melvin Howard. They are two of Pig Chief Giarasso's lackeys who were sent to the N.C.C.F. here in New Orleans in order to bring back information to their chief that might slow down or bring to a halt the beautiful work of the brothers and sisters of the N.C.C.F. here in New Orleans. But they (the pigs) failed to realize that the people would not be fooled forever by their cowardly, robotic attempts to destroy the Party—and, whenever the pigs come down on the Party they only win for us more support from the people and speed up the people's education. The pigs in Babylon think that they can end the people's struggle simply by wiping out the Party. What they don't understand is that had it not been for the people's support the Party wouldn't have gone as far as it has today. And the only way that they can even begin to end the people's struggle is to attack every Black community throughout Babylon. And whenever they do, they will find that their long mislead, mis-educated, misinformed and seemingly passive Black people will resist them with the force of a turbulent wave of fury that

has been caged up for over 400 years.

I feel that I have been unjustly charged because I have committed no crime that has harmed the interest of the people. But I only serve as another clear example for the people of another Black person charged for a crime against the pigs. This clearly shows that the laws were not made to serve the interest of the people, but the interest of

But I have nothing to be sorry for because not only have the people seen a clear example of pig injustice but I have been able to come to a new level of understanding the people's struggle and the true functions of the pig power structure.

While being here I have had a chance to take an in depth look at the part the pigs play in the Black community and throughout Babylon. This is my first time in prison and I see how the conditions of a prison are applied to the Black community. In prison there is a pig assigned to a flat and his job is to harass brutalize, and cause any type of harm he deems possible on the brothers of the prison. Also instead of meeting the needs of the brothers they (the pigs) only try to keep them in order in order to make sure the brothers don't put their revolutionary theory into practice.

In the Black community pigs are assigned an area to patrol and their main function is to make sure that Black people are

peaceful. There is no cause for any Black person in Babylon to be peaceful at anytime until he has gained his freedom and liberation. It would be reactionary suicide to remain passive and peaceful when we are maintained and controlled by aggressive violence that is perpetrated by the pig power structure. They (the pigs) play a primary role in terrorizing the community and subjecting us to brutality and imprisonment. As long as brothers are harming each other and themselves, the pigs are satisfied. But once the brothers come together and move against the true enemy or either commit one of their (the pigs) crimes against the capitalist, then the pigs become concerned and find justifications for murder and brutality of our people. But through political education and revolutionary examples set by the people and the Party inside of Babylon, the people are steadily becoming aware of their situation and are moving to overthrow those who have caused these conditions to exist.

ALL POWER TO THE PEOPLE!
LONG LIVE THE PEOPLES STRUGGLE!

"NEIGHBORHOOD POLICE TEAMS" NEW YORK PIG DEPARTMENT ATTEMPTS TO FOOL THE PEOPLE

New York Pig Commissioner Murphy and the New York City Pig Department are constantly devising ways of shading their acts of brutality and murder inflicted upon the oppressed people of that community. The latest cloak of darkness is "Neighborhood Police Teams," whose so-called purpose, as defined by Pig Commissioner Murphy is, "To get to know the residents and business people of the area and to find out their problems related to crime, and for my men to get to know the people in the community on a first name basis." This action by the pigs is an attempt to use the people against the people to further perpetrate acts of brutality and murder upon the people.

The oppressed people of communities throughout the world are resisting the imperialist by waging armed struggle to rid their communities of war-mongering pigs that perpetrate acts of violence upon them. We here in Babylon must pick up the gun, as the people in the communities of Korea, China, Vietnam and Africa have done and remove the forces of the oppressor that attempt to invade our community under the guise of serving the people.

PEST CONTROL PROGRAM

In New York, housing is a particularly acute problem in the oppressed communities. Besides living in indecent houses with inadequate facilities, the people of these communities are also the constant victims of rats, mice and roaches. The children of these oppressed communities are easy prey for these pests and are dying daily from their rabid bites.

Therefore, to better serve the people, the Black Panther Party is implementing a pest control program. If you have a problem with rats, mice and roaches contact:

RUCHELL MAGEE SPEAKS OUT

"IT CANNOT BE CONTROVERTED THAT A SYSTEM THAT PROFFESSES TO BE JUST, BUT REFUSES TO LET A MAN REPRESENT HIMSELF, WHEN IT IS HIS LIFE AT STAKE, IS MANIFESTLY UNJUST."

CONTINUED FROM LAST WEEK.

JAIL HOUSE LAWYER

RUCHELL MAGEE FOR SEVEN YEARS HAS DEALT WITH AND BEEN THE VICTIM OF THE ENTIRE JUDICIAL SYSTEM. FOR THESE SEVEN YEARS HE HAS BEEN FORCED TO STUDY LAW, AND KNOW LAW, BOTH STATE AND FEDERAL.

DURING THIS STUDY HE HAS RESEARCHED, PREPARED, AND FILED OVER A THOUSAND VALID PETITIONS AND WRITS. MANY HAVE BEEN WON AND MANY MORE HIDDEN BY COURTS AND THE ATTORNEY GENERAL.

THE FACT IS, IN MANY CASES, WHEN THE ESTABLISHMENT LEARNED RUCHELL MAGEE WAS ASSISTING OTHER PRISONERS IN THEIR ENDEAVORS TO OVERTURN THEIR ILLEGAL SLAVE CONVICTIONS, THESE PRISONERS WERE TRANSFERRED AND OR PAROLED.

ON MORE THAN ONE OCCASION MAGEE HAS BEEN PUT IN THE PRISON HOLE CELL FOR ASSISTING OTHER PRISONERS IN THEIR LEGAL LITIGATIONS.

TO SUPPORT THE FACTS OF THE ABOVE STATEMENTS, SEE: MAGEE VS. NELSON -26309 (NOW PENDING IN U.S. 9TH CIRCUIT COURT) - WHERE THE ATTORNEY GENERAL AND COURTS ARE CAUGHT DIRTY- RED-HANDED USING FRAUD AND FALSE TRANSCRIPTS TO AVOID CONFRONTATION WITH THE TRUE ISSUES OF MAGEE'S FLAGRANT RACISM SEVEN YEAR OLD SLAVE CONVICTION, WHICH RESTS ON KNOWN FRAUD EVIDENCE, (KNOWN BY THE COURT), INSTIGATED BY THE PROSECUTING ATTORNEY.

FURTHER SEE: MAGEE VS. WALKER, 20809, WHERE THE U.S. 9TH CIRCUIT COURT OF APPEAL, SINCE 1966, HAS FALSELY MAINTAINED MAGEE'S \$22 MILLION DOLLAR CIVIL SUIT, BASED SOLELY UPON RACISM AND FRIVOLOUS GROUNDS, CREATED BY PRISON OFFICIALS AND THE COURTS.

THE CHIEF OPPRESSORS

THE JUDICIAL AND PRISON SYSTEMS ARE SIAMESE TWINS, CONNECTED AT THE HEART OF ECONOMIC EXPLOITATION. SO SEVERANCE WOULD KILL BOTH OF THESE CHIEF OPPRESSORS.

THIS ARTICLE IS DEDICATED TO THE ERADICATION OF THE MYTH OF THE NEED FOR A LAWYER. THIS MYTH IS PROPAGATED BY A DECADENT CORRUPT SYSTEM TRAPPED BETWEEN THE GRAVE LIMITATIONS OF ITS ANACHRONISTIC PHILOSOPHIES, AND A FAST AWAKENING, LAW- ABIDING CITIZENRY.

ALTHOUGH MUCH HAS BEEN SAID AND WRITTEN ABOUT THE CONGESTION OF JUDICIAL CALENDERS, NO SOLUTIONS HAVE EMERGED BECAUSE THE "INVESTIGATORS" ARE THE CAUSE OF CONGESTION. ALL OMIT THAT THE CAUSATIVE FACTORS EXPRESSED ARE MERELY BASES UPON WHICH TO LAUNCH A TAX INCREASE TO PAY FOR THE ADDITIONAL, BUT UN-NEEDED,

JUDGES, DISTRICT ATTORNEYS, PUBLIC DEFENDERS, POLICEMEN, PRISON GUARDS, ETC.

THE MATERIALS NECESSARY FOR THEIR EMPLOYMENT IS THE STEADY SUPPLY OF SLAVES READILY FOUND IN THE POVERTY AREAS. ON THE STREETS THESE SLAVES REPRESENT ONLY A PERSON TO BE COUNTED AT CENSUS TIME. BUT AS SLAVES IN THE NUMEROUS PRISON SLAVE CAMPS, THEY REPRESENT THE LUBRICATION NECESSARY FOR THE CONTINUOUS ADVANCE OF, THE OPPRESSIVE CAPITALISTIC MACHINE WHICH IF NOT SOON BROUGHT TO AN ABRUPT HALT, WILL CONSUME US ALL. THIS WANTON SLAVE SYSTEM IS FULL OF THE POOR PEOPLE TO MAKE TAXES HIGHER, IN SHORT THE CHIEF OPPRESSORS ARE CHARGING AND FORCING THE POOR-MASSSES TO OPPRESS THEM.

LAW AND ORDER

THE TERM "LAW AND ORDER" IS OFTEN EXPOUNDED UPON BY THE PIOUS ADVOCATES OF THE TERM AND ALL IT IMPLIES, ALBEIT, WHEN A BLACKMAN, NAMELY ONE RUCHELL MAGEE, APPEARS BEFORE THE SO-CALLED UPHOLDERS OF "LAW AND ORDER" AND ATTEMPTS TO MAKE LAWFUL OBJECTIONS TO FURTHER THE ORDER OF THE COURT, HE IS GAGGED, CHAINED ASSAULTED AND FORCIBLY REMOVED FROM THE COURT ROOM.

TODAY, AS ALWAYS IN THE PAST, THE "ONE LAW FOR (POOR PEOPLE) MAGEE AND ANOTHER LAW FOR (OPPRESSOR) JUDGE WILSON" RULE - WILL PERMEATE THE FUTURE UNLESS THE PEOPLE ACT.

IT IS A PROVEN FACT THAT THE TREE OF LIBERTY GROWS AND BLOSSOMS WHEN WATERED BY THE BLOOD OF THE OPPRESSORS.

THE MASSES OF THE PEOPLE MUST TAKE INVENTORY OF THE FACTS. THEY CAN AND SHOULD ARREST ANYONE (JUDGES, LAWYERS, POLICEMEN, PRISON GUARDS, ETC.) WHO BREAKS THE LAW.

THIS GOVERNMENT WAS CONCEIVED UPON THE PRINCIPLE THAT ALL MEN ARE LIABLE AND BELOW THE LAW. HOWEVER, THE ARCH PIGS NIXON, REAGAN, ROCKEFELLER, ETC., HAVE MANUFACTURED AND COMPUTERIZED THEMSELVES ABOVE THE LAW. THE PROPER QUESTION IS HOW? THE ANSWER IS: BY KEEPING THE MASSES OF PEOPLE IGNORANT TO THE LAW THEY ARE TRYING TO OBEY, BY THIS DEVICE THE ARCH PIG OPPRESSORS DO WHAT THEY PLEASE, WHETHER IT'S MURDER (VIETNAM WAR), ROBBERY (TAXES) OR WHAT HAVE YOU, THEY HAVE A "LAW" TO SANCTION IT.

THE PEOPLE'S RIGHTS

AT THE FOUNDATION OF THE STRUC-

Ruell Magee and Chairman Bobby Seale

TURAL DESIGN OF THIS COUNTRY SITS THE CORNER STONE, REVEALING THAT THE PEOPLE ARE THE POWER, AND THE GOVERNMENT IS AN INSTITUTION DERIVING ITS JUST POWERS FROM THE CONSENT OF THE GOVERNED. THAT WHEN EVER ANY FORM OF GOVERNMENT BECOMES DESTRUCTIVE TO THE LIFE, LIBERTY AND PURSUIT OF HAPPINESS OF THE PEOPLE, IT IS THE RIGHT OF THE PEOPLE TO ABOLISH THAT GOVERNMENT AND EXECUTE ALL THOSE WHO ATTEMPT BY FORCE TO FURTHER OPPRESS THE PEOPLE.

THIS ACT OF EXECUTION IS NOT MURDER, BUT JUSTIFIABLE HOMICIDE TO PROTECT YOUR RIGHTS. JUST AS NIXON DISPATCHES 10,000 AMERIKKAN TROOPS TO VIETNAM TO "KILL AND MURDER - NOT" THE NORTH VIETNAMESE SO THAT THE RIGHTS OF THE SOUTH VIETNAMESE WILL REMAIN UNBLEMISHED, THE PERFORMANCE OF SHOOTING A VIETNAMESE ON HIS LAND BY A FOREIGNER IS NOT CONSIDERED A MURDER. EVEN THOUGH THE FOREIGNER IS OPPRESSING HIM: NO LESS CAN APPLY TO A PEOPLE, POOR MASS- PEOPLE, THROWING OFF THE YOKE OF OPPRESSION.

THE PEOPLE AS CITIZENS HAVE THE RIGHT AND DUTY TO ARREST THOSE KLAN OPPRESSORS WHO ARE MASQUERADING AS POLICE, LAWYERS, DISTRICT ATTORNEYS, JUDGES, ETC. AND IF THEY RESIST ARREST, THE PEOPLE SHOULD JUSTIFIABLY EXECUTE THEM. THIS IS NOT MURDER; NOR IS IT ILLEGAL. THE KLAN OPPRESSIVE PIG DOES IT EVERYDAY.

THE PEOPLE IN MASS ARE TRYING TO OBEY LAWS THEY ARE PURPOSELY KEPT FROM KNOWING ANYTHING ABOUT, WHILE THE OPPRESSOR SHOUTS "IGNORANCE" OF THE LAW IS NO EXCUSE, JUSTICE MUST BE DONE. WHEN SOMEONE ARSES, AND TRIES TO EDUCATE THE PEOPLE TO THE LAW, THEY ARE QUICKLY LABELED BY THE OPPRESSOR AS AGITATORS, TROUBLE MAKERS, HOODLUMS, BUMS, "MAGEE THE MORONS", ETC. WHILE THE OPPRESSOR, THROUGH HIS KLAN PIG MEDIA, STIGMATIZES HIMSELF AND KIND "THE GOOD PEOPLE", TO KEEP THE AUTHENTIC "GOOD PEOPLE" IN DARKNESS.

HOWEVER, WHEN WRONGS SUCH AS THOSE DISCUSSED IN THIS ARTICLE, HAVE BEEN COMMITTED OR ATTEMPTED, THEY MUST BE DRAGGED TO

LIGHT AND SHOWN TO THE PEOPLE. BECAUSE IF THE OPPRESSOR IS ALLOWED TO STIFLE OR THWART AN INQUIRY, BY A SURREPTITIOUS RETREAT ON THE EVE OF HIS EXPOSURE THIS WOULD BE TO GIVE IMMUNITY TO GUILT AND ENCOURAGEMENT TO FALSHOOD AND EVASION, AND TO INVITE THIS CUNNING AND UNSCRUPULOUS KLAN OPPRESSIVE PIG TO GAMBLE WITH DETECTION.

SLAVERY UNVEILED

IT WAS STATED THAT THE TRIAL OF RUCHELL MAGEE IS THE ILLEGITIMATE SON OF THE FATHER OF THE TRIAL OF BOBBY SEALE, WHERE HE WAS LIKEWISE SHACKLED, CHAINED, ASSAULTED AND GAGGED. THIS IS INCORRECT, BECAUSE BOTH ARE THE END PRODUCTS OF SLAVERY. THE SLAVE AUCTION BLOCK HAS BEEN CONTEMPORARILY NAMED THE COURT ROOM. INSTEAD OF HAVING TO "SHUCK DOWN" AND SUBMIT TO THE DEHUMANIZING FINGERING OF THE "OLE MASTA", YOU ARE NOW SHACKLED TO A CHAIR AND "MUZZLED." THE PANAMA STRAW, WHIP AND WHIPPING POST ARE REMNANTS OF TIMES PAST; FOR THE BLACK ROBE, GAVEL AND GAS- CHAMBER HAVE TAKEN THEIR PLACE.

THE CRUX OF THIS ARTICLE IS THAT THE PEOPLE MUST AWAKE IN MASS AND ARISE.

WHAT IS HAPPENING TO RUCHELL MAGEE TODAY CAN, NO MATTER HOW SAFE AND SECURE YOU THINK YOU ARE HAPPEN TO YOU TOMORROW, AND WILL IF YOU DON'T STOP THIS CORRUPT PRACTICING OF SLAVERY - UNDER-COLOR-OF -LAW JUDICIAL SYSTEM. OUR PARTING QUESTION TO THE PEOPLE IS:

SHALL THESE KLAN DOG, CORRUPTED OPPRESSORS, WHO ARE DISGUISED AS THE JUDICIAL AND PRISON SYSTEM, BE PERMITTED TO VOMIT THE FILTHY CONTENTS OF THEIR TOMACH ON EVERY DECENT MAN, WOMAN AND CHILD- WITHOUT HAVING THEIR NECKS TWISTED?

REVOLUTIONARY INTERCOMMUNAL DAY OF SOLIDARITY FOR BOBBY SEALE

As can be seen from the following reports, the people of the communities of the world are aware of what is occurring in the community of North America, even though the establishment media tries to mislead them.

Not only are they aware, but they have decided in the true spirit of revolutionary intercommunalism to speed up the process of having our communities no longer existing as dispersed communities under seige, but to form one world liberated community.

Their first move in this direction is their realization of the importance of the Vanguard of the American Revolution, the Black Panther Party, and therefore understanding the importance of saving Chairman Bobby Seale from the electric chair.

BOBBY SEALE AWARDED DANISH HIGH SCHOOL PEACE PRIZE

The Danish High School Association, an organization of 32,000 students elected Bobby Seale, Chairman of the Black Panther Party to receive their Peace Prize for 1970. The reasons given for having chosen Chairman Bobby were both political and humanistic. Having seen and heard Chairman Bobby Seale in Denmark, the Danish students had an opportunity to learn something of the oppression, exploitation, racism and fascism that exist in the U.S.A.

The following are excerpts from their declaration:

"By demanding the release of the political prisoner, Bobby Seale, we refuse to accept the way the so-called democratic governments treat the minorities whose right it is to fight for freedom, and whose lives are supposedly guaranteed by independence declarations and constitutions.

"Bobby Seale is elected because his situation is typical of one who lives in a country whose constitution is supposedly ideal for all societies in the 'free world.' He is an example of all peoples fighting for their rights and

March 5th, 1971, has been declared Revolutionary Intercommunal Day of Solidarity for Chairman Bobby Seale. Demonstrations and manifestations will be held in Germany, England, Belgium, Italy, France, Denmark, Sweden and the Netherlands. In those communities where the people are engaged in active warfare their support will be in different forms.

American imperialism no longer has anywhere to run or anywhere to hide. Its true aggressive, vulturistic and barbaric nature has become known to everyone on the planet earth, whether they be in liberated communities or communities under seige.

The farcical trial that exists in New Haven, Connecticut, where Chairman Bobby Seale and Sister Ericka Huggins are being tried for murder must not be allowed to continue.

If the rest of the communities of the world can recognize their responsibility, why can't we here do the same. The Black Panther Party says Chairman Bobby Seale and Sister Ericka Huggins will not go to the electric chair. They will and must be freed to take their rightful place in the community where they belong. However, we need the support of the masses of the people. You are also on trial for your lives, your children's future, the future of all mankind.

a decent life...We fully endorse "Free Bobby." The money given with this prize should be used by Bobby as he sees fit. We look upon his trial as a showcourt and realize that it is impossible for him to receive a fair trial.

We intend to ask the Danish-T.V. in the U.S.A. to keep us informed with up-to-date information on this case.

All Political Prisoners Must Be Freed
BOBBY SEALE MUST BE SET FREE!

CREATION OF THE BOBBY SEALE INTERCOMMUNAL TRIBUNAL AGAINST AMERICAN IMPERIALISM, FASCISM AND RACISM

Preparations have started for the organizing of the Bobby Seale Intercommunal Tribunal which will be held in Stockholm, Sweden in the latter part of March. The exact date will be announced in the near future.

The primary reason for this tribunal will be to expose to the world the U.S. government's attempt to legally murder

Chairman Bobby Seale. At the same time testimonies against American barbaric and criminal activities throughout the world will be heard.

Writers, scientists, attorneys of political prisoners in Europe, in particular Spain, Greece, Portugal, France and Italy will take part.

Representatives from liberation

fronts of the oppressed communities of the world will also testify against the direct or indirect effect of American imperialism on their just struggles for liberation.

American imperialism will be exposed for what it is--the No. 1 oppressor of all mankind on the planet earth.

MEMORANDUM OF THE CENTRAL COMMITTEE OF THE LAO PATRIOTIC FRONT ON THE ESCALATION OF THE U.S. WAR OF AGGRESSION IN LAOS AND THE SETTLEMENT OF THE LAO PROBLEM

PART II

Application Of The Nixon Doctrine And Escalation Of The War Of Aggression In Laos By The Nixon Administration

UNDER PRESSURE FROM PUBLIC OPINION, NIXON ON MARCH 6, 1970 HAD TO ACKNOWLEDGE THE PRESENCE OF U.S. MILITARY PERSONNEL, THE LOGISTIC AND AIR SUPPORT AND "OTHER ACTIVITIES" OF THE U.S. IN LAOS. He also admitted an increase in the U.S. military activities in Laos. But he tried to argue that those activities were "limited" and of a purely "defensive" character aimed at protecting American lives in South Viet Nam.

But public opinion in the United States and in the world immediately pointed out that that was the first time the highest executive in the United States made an open acknowledgement of the violation of the 1962 Geneva Agreements on Laos by the U.S. On March 7, Senator Albert Gore declared that Nixon in fact had conceded that "we (the U.S.) have violated the Geneva Agreements". Public opinion has condemned Nixon's allegations as "queer" and "self-contradictory" (the Japanese paper "Asahi Shimbun" March 9). "Nixon's allegations were misleading. They mentioned only some facts and not everything and showed no sign of any change of policy." (Senators Scranton and Fulbright, March 6 and 9, 1970).

Obviously, Nixon cannot dupe public opinion which bases its judgement not merely on the words but also on the deeds of the Nixon administration during the recent past.

After Nixon came to power, the so-called "Nixon doctrine on Asia" saw the light which consists in providing more U.S. advisers, weapons and firepower to the Asians, while the latter contribute more mercenaries for the U.S. The formula of this doctrine is "native soldiers plus U.S. advisers and maximum logistic and air support". This is in fact a more elaborate and more refined form of U.S. neo-colonialism's wicked policy of making Asians fight Asians, and natives fight natives.

The active application of that

The Resistance government formed in 1950 against the French Colonialists.

doctrine in Laos finds a concrete expression in the steps of escalation taken by the Nixon administration in its aggressive war in Laos during the past 18 months, escalation in the logistic supply, in the supply of U.S. military personnel and in the use of U.S. combat troops in the "special war".

Under the Nixon administration, the amount of U.S. aid to Laos and military personnel introduced into this country have increased at almost the same rate. Compared with the 140 million dollars in 1967, U.S. aid in 1969 rose to 250 million dollars of which only the economic and technical aid, accounting for less than 60 million was announced, while the rest was almost exclusively used for military purposes. Thus, military aid - about 190 million dollars a year, - is more than treble the economic aid and makes up 80 per cent of the total aid. This figure is approximately the same as estimated by Senator A.J. Allender in a censured report on the scale of American involvement in the war in Laos (AP, Jan. 22 1970). It is necessary to note that what is described as "economic and technical" has also been used for secret activities of a military character. On June 7, 1970, J.A. Hanna, Director of the U.S. Agency for International Development, disclosed that the U.S.

about 1,200 men. Thus there is one U.S. military adviser for every six Laos puppet soldiers (compared to the 70,000 men of the Vientiane army). In addition according to a statement of Senator R. Ottinger on April 24, 1970, at least half of the 48,000 U.S. air force personnel in Thailand (i.e. 24,000) are now directly participating in air activities in Laos. All told, the number of U.S. military men now taking part in military activities in Laos on the ground and in the air has run into tens of thousands at least equal to half of the total effectiveness of the Laos puppet army.

The running of the U.S. colossal war machine in Laos remains an affair of the U.S. embassy, Nixon's ambassador to Vientiane remains a military proconsul. The paper "France Soir", on March 3, 1970 said everything in Laos is controlled from the building of the U.S. embassy which houses the brain of the war machine. The number of army and air force military attaches of the U.S. embassy exceeds 200, an unusual figure for a foreign diplomatic mission in a country like Laos. The USAID agency in Laos is also operating within the framework of the U.S. diploma-

tic mission in Vientiane and is working for the CIA. On June 7, 1970, J.A. Hanna acknowledged that Laos is the only place where such things happened and said he did not approve it.

Of late some 1,200 U.S. "green berets" were introduced into Laos, whose command is in Udorn (Thailand). U.S. Senator Metcalf on February 27, 1970 said the number of U.S. "green berets" in Laos had exceeded that of U.S. military advisers in South Viet Nam in the past. In late 1969 and early 1970, U.S. combat troops took part in ground attacks on the Plain of Jars area, Xieng Khoang province. The U.S. magazine "Newsweek" on April 6, 1970 affirmed that the CIA office in Saigon was recruiting GIs who had once fought in South Viet Nam as mercenaries in Laos with a weekly salary of some 1,000 dollars.

Without any doubt, there have been more and more GIs participating in the fighting in Laos. On March 6, 1970 U.S. Senator Alan Cranston pointed out that Americans are fighting in Laos. "The fact that some of them do not wear uniforms does not change this one bit. The fact is that American combat troops in uniforms have been fighting in Laos."

THE LAO PATRIOTIC FRONT

continued from last page

Americans have not only taken part in the fighting but also suffered casualties in their military activities in Laos, in the air as well as on the ground. Some of the numerous instances to the point: In May 1968, more than a squad of GIs was killed in the battles at Pethi, an important stronghold of the "special forces" illegally established in the area under the control of the Lao patriotic forces in Sam Neua province. U.S. officers operating the radar station there were also killed. Many other GIs were killed or injured in recent battles in the Plain of Jars and the Sam Thong - Long Cheng area (Kiang Khoang province). U.S. casualties in the air and on the ground are no longer counted by the dozens. The testimony of the U.S. Senate sub-committee said that nearly 200 Americans had been killed. This, naturally, is still below reality - and charge that Nixon was lying when he said there were no U.S. combat casualties in Laos.

According to U.S. Senators A. Gore and S. Young, among thousands of U.S. military personnel killed in Laos since 1962, some 400 perished in the past few years. On March 8, 1970, G. Warren spokesman for the White House admitted that a U.S. captain and 26 GIs were killed in a ground attack in Laos. Senators S. Symington and M. Mansfield pointed out that it was not serious to say that no Americans were found in fighting in Laos. A grave thing is that hundreds of Americans had lost their lives there.

Most odious of all, in an attempt to deny the presence of U.S. combat troops in Laos, Nixon has ordered destruction of the bodies of dead Americans during ground battles. At Pethi, U.S. aircraft came and rained bombs on the areas where battles had just taken place, to burn down almost all the bodies of dead GIs. Recently, the "Washington Sunday Star" carried a Vientiane report which quoted well informed Laos sources as saying that "bodies of American Central Intelligence Agency operatives killed in ground combat operations in Northeast Laos maimed as much as possible." The report added: "The Americans have orders they must not be captured. If they are killed, other members of their patrol put a grenade on their faces or shoot them up with their machine guns till they can't be recognized."

Contrary to Nixon's allegation about his concern for "protecting American lives" Nixon is squandering more and more blood of the American people in the illegal and immoral war in Laos. Moreover, by pushing American youths

into a death place then destroying their bodies, Nixon has doubled his crimes against the American people.

With the U.S. lending a hand, the Vientiane puppet army increased from 130 battalions in 1968 to 150 battalions in late 1969. Its effectiveness rose from 60,000 to 70,000 men in the same period. In 1969 by the way of Thailand, the Nixon administration supplied the Vientiane army with numerous M. 16 quick-firing rifles with a view to gradually modernizing this army. Since early 1970 the Nixon administration has twice given the latter additional OV-10 and "Spooky" AC-47 aircraft equipped each with three machineguns capable of firing 18,000 rounds a minute.

In the reinforcement of the stooge army, the U.S. has paid special attention to building "special forces" recruited from among the tribal minorities in Upper and Lower Laos, through bribery and coercion. Often referred to by the U.S. and Western press as "secret army" of General Vang Pao, this force while nominally forming part of the Vientiane army, is in fact directly trained, equipped and commanded through a special office code-named "H.Q. 333" installed in Udon. Through divisive tricks, the U.S. has endeavored to build the "special forces" into a main and shock force, regarding it as a special tool for the materialization of the Nixon doctrine in Laos. In this connection, the U.S. press has disclosed many things about this truth which had long been kept secret by the authorities: the U.S. is maintaining and controlling a "clandestine army" in Laos. There are three CIA representatives beside General Vang Pao at his headquarters in Long Cheng, and a great number of others are operating alongside Vang Pao's units on various battlefields. The U.S. Agency for International Development (USAID) is taking in hands the transport of military goods, food and other war supplies to soldiers of this army and their families (International Herald Tribune and New York Times, October 27, 1969).

The U.S. has given priority to equipping the "special forces," and put a large number of helicopters at the disposal of these forces to increase their mobility, and helped them expand from 54 battalions in 1968 to 84 battalions in late 1969 totaling nearly 20,000 men belonging to three kinds of armed forces: mobile force, regional force and guerrilla units, known as "secret units" in the "clandestine army."

Apart from the regular battalions, the U.S. has built for the "special forces" three mobile regiments with fairly modern equipment and a number of "shock" battalions best trained and equipped for use in the main assaults and the occupation of important positions.

The Nixon administration has spent hundreds of millions of dollars on this undertaking.

On October 28, 1969, Senator William Fulbright said "The United States was spending 150 million dollars a year to support a clandestine army in Laos. The money was being spent to supply, equip, train and transport this army. It was 'most unusual and irregular - if not unconstitutional'." Fulbright added.

The U.S. has built in many places in northern and southern Laos, including a number of areas which had once been controlled by the Lao patriotic forces but later illegally occupied by the U.S. and its lackeys, a network of strongholds defended by the "special forces", including modernly equipped bases like Pethi, to direct the bombings and rescue downed pilots. These are base-camps for nibbling attacks on the regions under the control of the Lao patriotic forces. Particularly, the U.S. has concentrated efforts on the building of the major basecamps of the "special forces" in Sam Thong - Long Cheng southwest of the Plain of Jars, and in the strategic Bolovens Plateaux in Lower Laos.

On the Sam Thong and Long Cheng bases, the U.S. and Western newspapers and agencies noted that these two key bases are not only a centre of intelligence, supply and command of General Vang Pao's clandestine army now operating in the Pathet Lao territory (the liberated zone - Ed), but also the centre of a very powerful radio communication network, an operational headquarters and air liaison centre of the Whole of Upper Laos under the CIA control. The Long Cheng airfield is one of the busiest airbases in Laos with a plane taking off and another landing every minute. AFP on March 1st, 1970 said that this Sam Thong - Long Cheng complex "constitutes just the heart of American military intervention in Upper Laos". Another important centre of the "special forces" is the cluster of strongholds at Bolovens, headquarters of the so-called "special guerrilla units". The U.S. has established there a big radar installation to direct the air strikes in Laos and Viet Nam as well.

STATEMENT BY MINISTER XUAN THUY, CHIEF OF THE DELEGATION OF THE GOVERNMENT OF THE DEMOCRATIC REPUBLIC OF VIET NAM, AT THE 101st PLENARY SESSION OF THE PARIS CONFERENCE ON VIET NAM.

(ON FEBRUARY 4, 1971)

Ladies and Gentlemen,

By its recent actions the Nixon administration has further proved that it is not willing to negotiate seriously on the basis of respect for the Vietnamese people's fundamental national rights. Instead, it has applied the "Nixon doctrine", obstinately pursuing the policy of prolonging and expanding its war of aggression, in the hope of winning a military victory, gaining a position of strength, and compelling the South Viet Nam people to accept U.S. neo-colonialism.

1. While continuing its aggression against Viet Nam and expanding the war to Cambodia, the Nixon Administration is intensifying its war of aggression in Laos, thus causing the situation in South-east Asia to be very serious.

Going against the June 30, 1970 statements by Mr. Nixon himself, statements that were termed "principles of the U.S. Cambodian policy", the Nixon administration has used its air and naval forces and part of its infantry to escalate the war of aggression in Cambodia.

Of late, it has been stepping up the air war to extreme intensity and it is preparing for large-scale operations against Lao territory. According to A.P. February 1st, 1971, "the bombing campaign in Laos, the longest in the Indochina war, has entered its 115th day". Information from various sources has revealed that for the past few consecutive days, there were daily 300 - 400 tactical aircraft and 30 B-52 bombers of the U.S.A.F. dropping thousands of tons of bombs over southern Laos. While increasing the spying activities of commando groups far into the liberated areas of southern Laos, the United States has mobilized tens of thousands of Saigon puppet and U.S. troops along the frontiers between Laos and Viet Nam. U.S. news agencies and press affirmed that the U.S. command had sent Saigon puppet troops into southern Laos. According to Reuters, January 30, 1971, "American official circles did not rule out the possibility of a military operation like that launched by the United States in the Cambodian border region last summer." In his statement dated February 1st, 1971, the spokesman of the Central Committee of the Lao Patriotic Front pointed out: "The United States is preparing to further escalate the war in Laos with the massive participation of U.S. Air Force, South Vietnamese puppet troops, elements of the Thai army, and - this possibility is not excluded - part of the American ground forces. This constitutes a gross violation of the 1962 Geneva agreements on Laos, not only undermining the recent peace efforts of the Lao Patriotic Front but also placing Laos in the grave danger of extended and prolonged war and seriously menacing the peace of South-east Asia and the world."

Along with the expansion and intensification of the war in Cambodia and Laos, the Nixon Administration has continuously sent its planes, including B-52 bombers, to attack the Democratic Republic of Viet Nam and to violate its air space. In the gulf of Bac Bo, it has increased the number of aircraft carriers belonging to its 7th fleet and insolently threatened to use its air power "to compel Hanoi to make concessions."

It should be stressed that the Nixon Administration's policy of intensifying and expanding the war of aggression, continuing its role of international gendarme has been made official by the public statements of Defense Secretary Melvin Laird and Secretary of State William Rogers. On January 20, 1971, Mr. Laird said: "The U.S. will use air power on a wide-open basis in Cambodia and elsewhere in Indochina." On January 27, he also said: "In keeping with the Nixon doctrine, we will use as necessary sea and air resources to supplement the efforts and the armed forces of our friends and allies" such as "Cambodia". "We have no intention of renouncing the commitments imposed on us by our all-important role in the world." On January 29, 1971, Mr. William Rogers reaffirmed the "right" of the United States to "use its air power at the highest level throughout Indochina." He did not rule out the possibility of U.S. forces supporting Saigon puppet troops in the invasion of Laos. He also said: "It is essential that we maintain maximum pressure on the enemy." The Nixon administration's policy of intensifying the war of aggression is further evidenced by the fact that it has increased its military budget for 1972 to 76 billion dollars (1.6 billion dollars more than 1971) for the implementation of the so-called "peace strategy" based on negotiations "from a position of strength."

It is evident that the Nixon administration is escalating both the war and the "reasons" put forward to justify its aggression.

The pretext of "defending the lives of Americans" is quite cynical, if the Nixon administration is really concerned about American lives, why does it stubbornly reject the proposals made on September 17 and December 10th, 1970 by the Provisional Revolutionary Government of the Republic of South Viet Nam, proposals that open the way for the safe and honourable withdrawal of all the G.I.'s from Viet Nam?

We energetically condemn the acts of war and the absurd and impudent arguments of the Nixon Administration. They constitute an insolent challenge to broad sectors of world public opinion and to progressive people in the United States who are resolutely demanding that the Nixon Administration put an end to its

aggression, and immediately, totally, and unconditionally withdraw U.S. and satellite troops from Indochina.

2. The "Nixon doctrine" is one of war; it has failed and cannot avoid complete failure in Indochina.

In July 1969, when he expounded his "doctrine" for the first time in Guam, Mr. Nixon wanted to make believe that it was a doctrine of peace. The image of the United States he gave was that of a country "breaking away from the past", desiring to give up its role of international gendarme, to gradually reduce its commitments, and to abstain from new ones, a country no longer seeking a military victory, avoiding other Viet Nam wars, concerned only with economic aid. With regard to Viet Nam and Indochina, Mr. Nixon promised to end the war, and said that the United States would "restrain" itself, that it would reduce the level of hostilities, withdraw its troops, and would not be involved in new wars of aggression in Laos and Cambodia, etc.

Facts have shown that far from "restraining himself" or reducing the level of hostilities, Mr. Nixon stepped up and expanded the war. Far from giving up commitments, he became more committed and engaged deeper in war. Far from pulling out all U.S. troops, he continued to maintain hundreds of thousands of U.S. troops indefinitely in South Viet Nam. Facts have shown that far from "breaking away from the past" he proved to be more bellicist than the previous administration. He once said: "We must not fool ourselves. The American people must have the full truth" (message on foreign policy, part

dealing with Viet Nam, February 18, 1970). In recent days, many important newspapers, many American statesmen pointed out that the Nixon Administration was deceiving the American people, talking one way and acting another. The extension of the war, they said, and the increased involvement of the United States in Laos and Cambodia would impede U.S. troop withdrawals instead of accelerating it. "In practical deeds, the Nixon doctrine is scarcely different from the policy of intervention advanced by John Foster Dulles over ten years ago."

Under the head line "An old Scenario in Cambodia", the New York Times wrote on January 30, 1971: "History is repeating itself in Southeast Asia. The insidious insertion of American military power into Cambodia in support of a faltering regime ominously parallels the events of early 1965 which entrapped the United States in a major war in neighboring Viet Nam."

In its issue of February 8, 1971 Newsweek wrote about the possibility of Saigon puppet troops being used by the United States for aggression in Laos under American air support as follows: "The administration seemed to be on the verge of buying a pig in a poke in the kingdom of Laos."

In brief, the "Nixon doctrine" has now been laid bare as one aimed at making aggression with new methods, using Asians to fight Asians, under U.S. command, with the material supplies and naval support of the United States, not excluding the support of U.S. ground forces. This is evident to everyone.

Ladies and gentlemen,

We have pointed out that after two years of implementation, the "Nixon doctrine" far from retrieving U.S. defeats in Viet Nam,

has sunk it deeper into the swamp of Cambodia and Laos.

The February 1st, 1971 statement of the Foreign Ministry of the Democratic Republic of Viet Nam writes: "After many years of staunch and heroic struggle, the Vietnamese, the Lao, and the Cambodian peoples have foiled all intensifications of the war by the U.S. imperialists and their lackeys. At present, spurred on by their victories, the three Indochinese peoples will sharpen their vigilance and will smash all

new military ventures of the United States and its agents, including the intensification of the U.S. air war throughout Indochina. No enemy, however cruel he may be, no insolent menace can weaken the unshakable determination of the Vietnamese, the Lao, and the Cambodian peoples in their fight for their fundamental national rights."

Of late, many American congressmen have demanded that the Nixon administration stop its expansion of the war in Indochina, and bring home all the G.I.'s. No doubt, the American people will not tolerate the fact that the Nixon administration continues to force American youths to go to death in Viet Nam, Laos, and Cambodia and to sink the United States deeper into economic and social difficulties.

The Nixon administration should realize that they will never be able to gain a position of strength through military means in order to compel the other side to accept its conditions of neo-colonialist peace. It had better give up aggression, end the war, and give a positive response to the logical and reasonable proposals of the Provisional Revolutionary Government of the Republic of South Viet Nam, - which proposals are still here before you - so as to achieve a correct peaceful settlement of the Viet Nam problem.

SISTER FORCED TO LIVE IN WASH HOUSE BY HOUSING AUTHORITY PIGS

On November 9, 1970, the pigs came up to 1669 81st Avenue, Apt 3 in East Oakland, California, and arrested Mrs. Lula Mae Johnson and her daughter's 16 year old boy friend, Andre Allen. Over Mrs. Johnson's loud protests, the pigs brutalized Andre when they crashed through the door under absolutely no pretext of justice. Also as a result of her protests, Mrs. Johnson was arrested and brutalized (shoulder was broken and spine twisted) herself and charged with contributing to the delinquency of a minor. After spending ten days at Santa Rita "Rehabilitation" Center with no medical attention, Lula Mae Johnson was bailed out for \$700.00.

Since this initial act of repression Lula Mae, her daughter, Sandra, and her grandson, Andre, have received continued harassments from the various agencies of the pigs. For the last few months Lula Mae has been plagued by the bureaucracy of the welfare department. She received nonnegotiable checks from the welfare and therefore, every month they would have to be returned. As a result she got behind in paying her

Johnson, her 17 year old daughter and 10 month old grandson. They were allowed to take only a few clothes from the house.

The generosity of a neighbor provided a place for Sandra and "Lil" Andre to stay but Mrs. Johnson was still left in the streets. The neighbors also collected food and additional clothing for her. At this point, Lula Mae Johnson was forced to make her home on the cold concrete floor of the washhouse in the back of the apartment building.

After waging a hard struggle with the pigs of the Housing Authority, Lula Mae and her family were allowed to move back into a house and her furniture and

This is just a small smattering of Rizzo's crimes against

the people of this city. There are hundreds more, known and unknown, but space doesn't allow us to list them all here. Aside from the above list, it is evident that he is a criminal of the highest degree by the fact that he challenged members of Philadelphia Branch of the Black Panther Party after the raids on our offices in August to a duel which is clearly against the laws of Pennsylvania. He has called members of the Black Panther Party "yellow dogs", but who is the real "yellow dog"? He has termed lawsuits against his foul deeds an insidious plot to gain community control of the police. By his constant physical and verbal attacks on oppressed people and their freedom-fighters, he has shown himself to be a cowardly pig of the lowest form.

We, the Black Panther Party,

Jim Palmer brutalized by pigs

and the Black People of Philadelphia, must see to it that this Super pig does not win the election to Mayor. You can see by the mentality of this fool that he is not fit for a Mayor, commissioner or anything. It is up to us to create the conditions here so that he will not be able to run for anything but the nearest river to try to escape the wrath of the armed people.

remaining clothes were returned. It is evident that the entire eviction was nothing but harassment because the Housing Authority could and did find an alternative. Its hard to say for how long Mrs. Johnson and her family will be able to live without harassment because they are only an example of the oppression that runs rampant through Babylon. Only by taking the head of the oppressor, can the people insure themselves a peaceful life.

On Wednesday, January 27, 1971, the Housing authority sent their armed gestapo to evict Mrs.

October 1966 Black Panther Party Platform and Program

What We Want What We Believe

1. We want freedom. We want power to determine the destiny of our Black Community.

We believe that black people will not be free until we are able to determine our destiny.

2. We want full employment for our people.

We believe that the federal government is responsible and obligated to give every man employment or a guaranteed income. We believe that if the white American businessmen will not give full employment, then the means of production should be taken from the businessmen and placed in the community so that the people of the community can organize and employ all of its people and give a high standard of living.

3. We want an end to the robbery by the CAPITALIST of our Black Community.

We believe that this racist government has robbed us and now we are demanding the overdue debt of forty acres and two mules. Forty acres and two mules was promised 100 years ago as restitution for slave labor and mass murder of black people. We will accept the payment in currency which will be distributed to our many communities. The Germans are now aiding the Jews in Israel for the genocide of the Jewish people. The Germans murdered six million Jews. The American racist has taken part in the slaughter of over fifty million black people; therefore, we feel that this is a modest demand that we make.

4. We want decent housing, fit for shelter of human beings.

We believe that if the white landlords will not give decent housing to our black community, then the housing and the land should be made into cooperatives so that our community, with government aid, can build and make decent housing for its people.

5. We want education for our people that exposes the true nature of this decadent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

6. We want all black men to be exempt from military service.

We believe that Black people should not be forced to fight in the military service to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like black people, are being victimized by the white racist government of America. We will protect ourselves from the force and violence of the racist police and the racist military, by whatever means necessary.

7. We want an immediate end to POLICE BRUTALITY and MURDER of black people.

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

8. We want freedom for all black men held in federal, state, county and city prisons and jails.

We believe that all black people should be released from the many jails and prisons because they have not received a fair and impartial trial.

9. We want all black people when brought to trial to be tried in court by a jury of their peer group or people from their black communities, as defined by the Constitution of the United States.

We believe that the courts should follow the United States Constitution so that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by his peer group. A peer is a person from a similar economic, social, religious, geographical, environmental, historical and racial background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been, and are being tried by all-white juries that have no understanding of the "average reasoning man" of the black community.

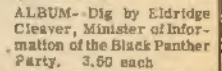

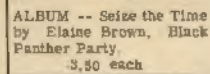

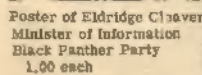

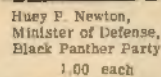

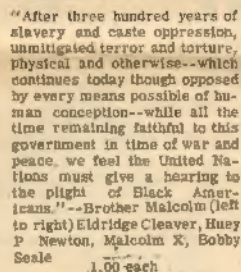

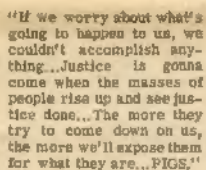

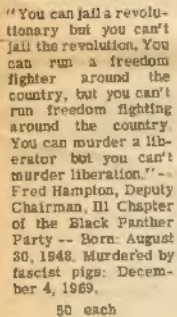

10. We want land, bread, housing, education, clothing, justice and peace. And as our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and, accordingly, all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.
